

GRADUATE COUNCIL – OCTOBER MEETING

MOTION TO CREATE EXECUTIVE COMMITTEE

AGENDA ITEM 4 A

Date: October 5, 2016

From: W. Allen Miller, Professor
Plant Pathology and Microbiology
Graduate Council, Biological & Agricultural Sciences Council Member

To: Members of Graduate Council

Proposal: Add Executive Committee to Graduate Council standing committee structure

Following a discussion in the September 2016 Graduate Council meeting about the need to build leadership continuity into the GC's standing committee structure, please see the following motion.

Motion:

Add Graduate Council Executive Committee (GCEC) standing committee to the current Graduate Council sub-committee structure.

Graduate Council Executive Committee membership will consist of up to three of the previous Graduate Council chairs who will serve as ex-officio members, working in an advisory role to advise current GC members. GCEC members will be charged with ongoing review of GC Constitution and By-Laws. They may be charged with researching issues brought before the GC that could result in proposals for action items. GCEC members may also be charged to follow-up on motions approved by GC to oversee their approval and implementation.

Submitted for Discussion: September 21st Meeting

Motion Made & Seconded: September 21st Meeting

Slated for GC Vote: October 19th Meeting
