

Proposal to change the use of credits of graduate courses taken as an ISU undergraduate

Current:

### 6.3.2 Graduate Courses Taken as an ISU Undergraduate

Certain graduate-level courses listed in the ISU Catalog may be used in the program of study even though they were taken for graduate credit by the student as an undergraduate at ISU. The following conditions must be met:

- The POS committee can request approval from the Dean of the Graduate College for up to nine hours of such credit to be applied toward meeting advanced degree requirements. These courses must be clearly marked on the POSC form.
- Credits earned in these courses must be in addition to those used to meet requirements for the bachelor's degree.
- Contact the Registrar's Office staff (210 Enrollment Services Center) to certify and note on the permanent record the courses that were not used for the undergraduate degree.
- Credits earned in these courses must have grades of B or better.
- The student must be classified as an undergraduate and **not** a nondegree undergraduate (special) student. Credits taken as a nondegree undergraduate (special) student are **not** allowed.
