Dean David Spalding
2300 Gerdin Business Building
Iowa State University
Ames, IA 50011

Dear David,

I am pleased to provide a letter of support for your proposed Master of Healthcare Analytics & Operations program. I agree with you that this proposed program does appear to complement your existing Master of Business Analytics program and it offers a unique set of courses to prepare learners to support the growing and extremely important healthcare field.

Sincerely,

Leslie K. Wilson
